Changes to Mortgage Company Tax Payment Services

We have noticed an increase in mortgage companies that no longer offer a property tax payment service. **It is the property owner's responsibility to ensure that property taxes are paid. As per the Municipal Act, penalties and interest due to late payments cannot be waived.**

There are several alternative payment options:

- Pre-authorized payment (PAP) plan
- Online or telephone banking
- At financial institutions
- By credit card
- In-person/drop-box

You can also sign up for e-billing!

Visit our website at www.tiny.ca/taxes for details or contact taxdepartment@tiny.ca.

Winter Storms, Power Outages, and Emergency Preparedness

- Prepare your emergency kit in advance so that you can be ready for any emergency.
- Prepare an emergency car kit in the event you become stranded on the road.
- Know who your local electricity distributor is and how to contact them to report a power outage.
- Do **not** use 911 to report a power outage - this is for medical or fire emergencies only.
- Purchase a battery-operated, portable radio and extra batteries so that you can receive emergency information in your home or work place during an outage.
- Listen to the media for information regarding power advisories, warnings, and emergencies.

Winter Maintenance Reminders

Snow Removal

- Higher speed roads with heavier traffic are plowed first based on Provincial Maintenance Standards.
- Property owners are responsible for removing snow that accumulates at the end of driveways as a result of road maintenance.
- Disposing of or piling snow from private property onto a Highway or municipal lands, including ditches, is strictly prohibited.

- Sand is only applied at to roads at major intersections, hills, and corners during freezing rain/icy conditions.
- Sand is not applied to straight-a-ways as it is the driver's responsibility to drive according to weather and road conditions.

Winter Parking

- During the winter months, parking on the road is strictly prohibited at all times as it interferes with snow removal practices. The township does not have an allotted time of day to which parking on the road is allowed as snow removal can happen at any/all times of day. Cars that are found to be parked on the roadside during snow removal operations will be ticketed.

Hazards

- Ensure children refrain from building tunnels or forts inside snow banks by roadways.
- The township will not replace items (including mailboxes and garbage bins) that are damaged as a result of snow accumulation or force of snow off the plow blade. Please be sure to place items far enough back onto your property to keep them out of reach of this area to avoid damage or destruction.
